**Did you know - that income generated by billing for services is no longer sufficient to fund EMS agencies?**

### Accomplished in 2024

- Both of our trucks now have 2 powerload systems. Utilizing grant money, we installed a new Stryker Power-Load system with a new Power Pro 2 litter in our second truck.
- Purchased 2024 Remount Ambulance - trading in our 2010 ambulance.
- New Billing Company - increase in insurance reimbursements.
- New Collection Agency is assisting us with collecting money due to organization.
- Additional personnel hired to provide 24/7 coverage.
- Updated heating system at our station.
- Continue to research grants and apply as appropriate.

### How can you help us?

- Need a tax write-off? Additional donations greatly help us continue to keep our doors open.
- EMTs & Drivers needed - paid or volunteer shifts.
- EMT & EMR - paid training to become an EMT or EMR while working as a driver.
- We are looking for social members to help with: fundraisers, grant research & writing.
